had nothing to declare was proceeded with

Hear Inside Information.

One heard the usual amount of "inside information" from officers and others on Olympic has been submarined off Lough Swilly and is still there, her guns and machinery having been removed. The truth of these assertions can best be judged by the action of the censor in respect to them.

street station a nice looking girl punched our tickets at the gate. My companion had a highly elaborate and complex ticket that had been sold to him in New York. A male ticket collector would have taken a quarter of an hour and the assistance of the station master, and a | telegraph operator to fathom; its mysteries. Not so the young lady. She clearly had not seen anything like it. learly had not seen anything like it before ad made up her mind instantane-ously that to investigate further was to invite trouble. It was offered as a ticket and she accepted it as such without any ado. The superior ability of the female to wrestle with an intellectual crisis of this character has long been recognized in the land of liberty. England is just beginning to discover it.

BANK'S EARNING ASSETS REVEAL BIG INCREASE

Combined Gold Reserves of Federal

ndicates an increase for the week of body declared to be unfamiliar with conditions in the total earning assets of ditions. the Federal reserve banks as the result of heavy purchases of United States bonds and bankers' acceptances. The combined gold reserves show a decrease r the week of about four millions, while total cash reserves declined about

S millions, Philadelphia shows a decrease of 2.4 millions of gold and of about 0.7 million of other cash, while Chicago reports a reduction in its gold reserve of 1.1 million dollars. These losses are partly offset by gains in reserve shown for the Boston, Richmond, Kansas City and Dalias banks, and by the larger amount of items in transit between the Federal reserve banks.

BALLET RUSSE TO BE
Practically no change in the amount of

Federal reserve banks.

Practically no change in the amount of rediscounts held by the banks is shown, the holdings of the three Southern banks constituting 70 per cent of the total reported. The week witnesses considerable purchases of acceptances by the Boston and New York banks, increasing the rela-tive holdings of this class of paper to \$2.6, per cent of the total paper held by the banks.

About one-third of the paper on hand in this city, Mrs. Mignon Ulke Lamasure, the matures within 30 days and over 35 per cent after 30, but within 60 days. More than two millions of all bills on hand is agricultural and live stock paper, maturing after 90 days. Dallas reporting about 45 per cent of this class of paper.

bursements at the close of bus on March 17, 1915, \$530,081,662.53.
